

Let's make Moira's parks great places to play !

Moira Shire Council is developing a plan to make our open spaces great places to visit, hang-out and play in. As our future generation, we want to hear what is important for you and what you want Moira to be like in the future.

ACTIVITY 1

What's important for you?

Colour in the stars below to show us which topics you think are most important to creating great parks. The more stars you colour, the more important it is for you.

★ ★ ★ ★ ★ This is very important to me! ★ ☆ ☆ ☆ ☆ This is not important to me!

I want parks to be easy to walk to from my home and school.

I want to see more colours and paintings in our parks.

I want spaces to hang-out and play with my friends.

I want more sporting courts, toilets and places to relax near the playground.

I want clean parks where I can play and see a lot of animals.

I want places to explore and connect with nature.

ACTIVITY 2

Time to draw !

My name is _____, and I am _____ years old.

Draw a park or a place that you would like to see in the future.

My drawing is about...

Tick what your drawing is about. Feel free to tick more than one ! ☒
